

PCS Haulage – Fleet Management

PCS

“After the ECC team came to service the DAF XF, the return on MPG has been outstanding with significant savings in fuel costs. It is also running more smoothly. Since the initial clean, the ECC guys have been back to service my other two Renault trucks with similar results.”

Stuart Reynolds, PCS

BACKGROUND

Protected Courier Services (PCS) is a Yorkshire based haulage firm offering express haulage and same day courier services from their main site in Leeds, operating throughout the UK and mainland Europe.

To manage the high volume of deliveries, PCS uses a range of vehicles within its fleet, from small vans to 44 tonne articulated trucks.

With running a busy haulage company, fuel efficiency remains a top priority along with managing emission levels as the company continue to look at ways to reduce overheads as well as its carbon footprint.

Stuart Reynolds, Managing Director at PCS commented, ***“The Engine Carbon Clean service has been a revelation to my fleet of vehicles with significant cost savings. They deliver a professional service from start to finish and I cannot recommend them highly enough.”***

Vehicles serviced by Engine Carbon Clean:

-  Vauxhall Combo Van
-  Mercedes Sprinter Vans x2
-  DAF XS Tractor Unit x2
-  Renault Premium Tractor Unit
